RKC Contractors cover all aspects to of Groundworks, giving our clients everything they require under one roof

- ◆ **Commercial & Industrial** - foundations, muck-shifts, site remediation
- ◆ **Civil Engineering** - private road construction, car parks, tarmac, reinforced concrete infrastructure
- ◆ **Utilities** - cable, duct, trenching, service laying
- ◆ **Landscaping** - hard and soft, from slabs and paving to turfing and tree planting
- ◆ **Security Fencing** - timber, steel (powder coated or galvanised), gates, automated gates, Armco barriers, manual and automated bollards

“ Whether it’s a pot-hole or a complete car park we can offer concrete and tarmac works at realistic prices for all budgets. ”

“ We know first-hand how annoying it is when break ins and thefts happen. Whether you own a mansion in the countryside or a warehouse in the city we can get you secure. ”

“ We love landscaping! There are endless possibilities to transform outdoor spaces and extremely versatile materials on the market to give you almost any effect you desire. ”

Client Testimonials

“

Extremely proactive, thorough, hard-working, hands on and an excellent result. Would DEFINITELY recommend them and will be using them again.

”

“

Ross and his team always strive to give a 5 star service, which they achieve constantly. Been using them for 6 years in the course of my work and they are definitely the go to for your civil work.

”

“

Honesty and the speed of trust are pivotal to good business, and Ross and his team have this in spades.. (no pun intended).

”
